Old 6 Mile ends tour season

Old Six Mile Museum in Granite City will end its four season with Christmas festivities from 1 to 5 p.m. on Dec. 10.

The Museum, decorated by Schermer's Garden Shop, will have special displays of old hats, Indian artifacts and jewelry.

Linda Koenig will lead group singing of Christmas Carols from 2 to 4 p.m., with Valerie Stevens playing an 1854 square grand piano and Esther Vasileff playing the violin.

Refreshments and tours will be available.

The Museum will then close until May 19, 1990, when regular Sunday hours will resume.

Special tours for 10 or more are available by calling 931-3023 or 797-0268.

Teacher strike cost debated

By Meg Tebo
Staff writer

GRANITE CITY — Teachers' union officials claim that District 1 lost a half-million dollars in state aid by not extending the school year to make up days lost in the teachers' three-week strike in September 1988.

School board members and administrative officials say the figure is much lower and that the reasons for not extending the term outweighed the loss of the state money.

"That is a greatly exaggerated figure. It does not take into account all the money we saved by not paying salaries for those days, as well as the additional overhead in opening the schools," said Superintendent Gib Walmsley.

Walmsley and district finance director Norman Owes also said the district saved on utilities, transportation costs and other expenses by shortening the school year from 180 to 171 days. Officials said they did not have the exact figures, but promised to compile them within a week.

The teacher union's accusations came to light recently in a copy of *Local Logic*, a publication of the Granite City Federation of Teachers.

In the publication, local President Steve Davis talks about the union's disappointment with the school board.

Following is Davis' statement:

"Many people have approached the union leadership with questions about the reduced school year of 1988-89. Most of these questions center around whether the district has broken state law,

and if penalties were levied against the district. The answer to both of these questions is yes.

"People also ask if other districts have chosen a reduced school calendar after a strike. The answer to that question is simple. As of Sept. 20, there were six school districts who have settled their strikes. Not one of these districts has lost a single day from its school calendar. School boards across the state have said they could not afford to break state law and endure the penalty for a shortened calendar.

"The Granite City school board reduced the school year from 180 days to 170 days despite the urging of county officials, state officials and parents. As a result, the state levied a penalty against the Granite City board which reduced state aid to

Library asks for divorce

By Andy Siering
Staff writer

GRANITE CITY — In what may be a first in city government, the members of an appointed board have voted to put themselves out of office.

The Granite City Library Board is asking the City Council to allow it to withdraw as an arm of city government.

The catch is that the board wants the library to become a regional library district, with the power to levy taxes. Would-be members of the board would run for election to the board.

Ron Coleman, one of the nine current members, made the board's pitch Thursday night to a special session of the City Council.

"At present, we, as an arm of the city government, are frozen into an area that is co-extensive with the boundaries of Granite City," Coleman said. "We are requesting that we be allowed the opportunity to expand our boundaries to include the entire area that is under the jurisdiction of the Granite City School District."

"This would allow us to immediately work toward annexing all the unincorporated areas surrounding Granite City into the new regional district, and some day even Pontoon Beach may choose to join the new, expanded district."

Clerk Portell: 'It was wrong'

By Andy Siering
Staff writer

EDWARDSVILLE — A candidate for Madison County treasurer is complaining that Circuit Clerk Willard "Butch" Portell is using his office to promote a political campaign.

Portell said it was just a simple mistake. Portell is the campaign manager for Associate Judge Daniel J. Stack's bid for a circuit judgeship. At issue is a flier advertising a Stack fund-raiser. It lists Portell's phone number in the Madison County Courthouse.

John Shimkus, a Republican from Collinsville, pointed out that state law prohibits government offices being used for political purposes.

"Butch Portell has sent the message that his office can and will, during office hours, be used for political purposes," Shimkus said.

Portell said Shimkus is right, but said neither he nor Stack knew about his office number being listed on the flier.

"It was wrong what we did, but we didn't know it was on there," Portell said.

Girls return home to find doors gone

PONTON BEACH — When 11-year-old Rebecca Cruzen and her 10-year-old sister, Melinda, came home from school Friday they found their apartment standing wide open. Both doors had been removed.

The girls and their mother, Margaret Cruzen, live in the 4000 block of Oakmont Drive in a four-family apartment building owned by Granite City 4th Ward Alderman Dan Partney.

Neighbors reported seeing a maintenance man working on the doors of the apartment about 2 p.m. Friday, but did not know at the time the doors were being removed. No one was home at the apartment at the time.

The doors were loaded into a Granite Sheet Metal Inc. truck, a firm jointly owned by Dan Partney and his brothers David and Don.

The girls arrived home on a school bus shortly after 3 p.m. and found both the front and back doors of their apartment gone.

"I didn't know what to do," Rebecca Cruzen said. "I went over to my baby-sitter's and told her our doors were gone."

Rebecca called her mother at work and told her what had happened. Margaret Cruzen works in Clayton, Mo., and was not available for comment on the matter, but the girls did say that they thought their mother owed Dan Partney some rent.

When contacted Friday afternoon, Partney said "It was my understanding the apartment was to be vacated by Dec. 1. The doors were removed for repairs and will be replaced when

Granite sets '89-90 taxes

By Mike Myers
Staff writer

GRANITE CITY — The City Council on Tuesday unanimously approved a \$3,219,089 tax levy for the 1989-90 fiscal year.

The levy represents a \$58,858 increase over last year's levy of \$3,160,231.

The levy, presented to Madison County Clerk Evelyn Bowles for collection through property tax, represents the additional amount of money the city estimates it will need to meet expenses after obtaining revenue from all sources.

The actual tax rate will be determined by Bowles based on the city's levy and assessed valuation, but no rate increase is expected by city officials.

The '89-90 levy is based on estimated costs of \$1,817,754 for general government, \$5,167,903 for public safety, \$2,690,591 for public works, \$1,117,494 for capital improvements, \$251,360 each for police and fire pension programs, and \$601,706 for the library.

The levy includes \$330,033 for general government, \$931,857 for public safety, \$485,342 for public works, \$194,157 for capital improvements, \$309,200 for police pensions and \$363,838 for firefighter pensions.

The higher levies for the police and fire pensions are the result of shortfalls shown in state-mandated actuarial projections done this year, according to City Comptroller Kim McTaggart.

Accident ends in charges

A traffic accident on Illinois 203 about 70 feet south of Bend Road resulted in one driver being booked on three charges.

Kende W. Mitchell, 32, of Belleville was charged with driving under the influence of alcohol, failure to reduce speed to avoid an accident and disobeying a traffic signal.

Charles Brown, 26, of St. Charles, Mo., said he was driving east on Bend Road and made a right turn into a southbound lane of Illinois 203 when the car operated by Mitchell, also southbound on the highway, struck Brown's auto in the right rear.

A Madison police officer alleged Mitchell almost fell from the vehicle while getting out. Mitchell posted \$302 bail and was released, pending a Jan. 11 hearing in Edwardsville.

Rosemary Hildreth, 33, of the 1100 block of Grand Avenue, Madison, a passenger in Mitchell's car, sustained an injury in the collision.

Driver charged

After clocking a northbound car allegedly speeding 63 mph in a 30 mph zone in the 1900 block of Madison Avenue, officers made a U turn in their southbound squad car and attempted to stop the motorist at 9 p.m. Nov. 24.

Sтивен Эрнст Вебб, 26, of Mallard Drive, Pontoon Beach, who

DUIs

was driving the auto being chased, was stopped on Edwardsville Road and arrested.

Webb was charged with driving under the influence of alcohol, fleeing and attempting to elude police, speeding and illegal transportation of alcohol. He also was served a warrant alleging failure to appear on a previous speeding charge.

While still on Madison Avenue, police said Webb slid his 1983 Pontiac sideways at the 20th Street intersection, nearly striking a vehicle in the right lane, and then passed the same vehicle and turned right (east) onto 20th Street.

The driver continued to accelerate on 20th until being slowed by other vehicles heading in the same direction which were waiting at the traffic light. Edwardsville Road (Illinois 203).

The suspect's car went around the waiting auto on the right before turning left onto Edwardsville Road, a report said.

At this point, with the Granite City squad car about 10 to 15 car lengths behind Madison County Deputy Sheriff Mike Staicoff pulled alongside the fleeing driver on the left side and directed a spotlight into the auto.

Webb then pulled onto the shoulder of the highway, about a quar-

ter-mile northeast of 21st Street.

Several empty and seven full bottles of beer were in Webb's auto, police said.

Charles Edward Mann, 19, of the 2100 block of Lee Avenue, a passenger in Webb's car, was charged with illegal transportation of alcohol. Mann was released after posting his driver's license.

Webb consented to a Breathalyzer test before being charged. He posted \$204 bail and was released, pending a hearing.

Madison Police Sgt. Rich Ballew, responding to a call for assistance when the pursuit was headed along 20th Street, acted as back-up to the Granite City officers.

Two charges filed

Marilyn Irene Becerra, 34, of the 2400 block of Adams Street was charged with driving under the influence of alcohol and improper lane usage when arrested at 1:50 a.m. Nov. 25 at Niedringhaus Avenue and Benton Street.

An officer on patrol alleged seeing Becerra's car move across the center line at Niedringhaus and the railroad tracks.

The auto went into the opposite traffic lane before returning to the proper lane and going onto the curb and sidewalk, narrowly missing a parked vehicle, a report said.

Becerra posted \$102 bail and her driver's license was released.

and not wearing a seat belt.

Friese posted \$204 bail and was released pending a Dec. 29 court appearance in Granite City. Price posted \$52 bail and was released to appear in court Dec. 29.

Man charged with theft of \$100

Larry Donnell Wimberly, 29, of the 800 block of Harrison Street, Venice, was served a theft warrant when arrested Nov. 25 at Third Street and McCambridge Avenue. He was transferred Nov. 28 to the Madison County Jail in Edwardsville.

On Nov. 10 he allegedly was given \$100 by Jeff L. Niehaus of the 1600 block of Third Street, Madison, to purchase a microwave oven.

After going to the home of a relative of Wimberly's in the Garces Homes complex, Wimberly allegedly took the money to go inside and get the microwave, but instead ran around the corner of the building and disappeared with the money.

4 charges against driver

Roscoe Daniel Friese, 23, of East St. Louis was charged with obstructing a peace officer, driving while his license was revoked, illegal transportation of alcohol and not wearing a seat belt when

Madison police

arrested Nov. 22 at 8th and Lee streets.

He allegedly identified himself as another person to an officer, who found that Friese did not match the description of the man whose name he gave. Several bottles of beer were on the rear floor of the car and under a seat, it was alleged.

David K. Price, 37, of the 2300 block of Wilson Avenue, a passenger in the car, was charged with illegal transportation of alcohol

Burglar tries to steal a van

A garage burglary and attempted theft of a van were reported Nov. 23 at the home of Gerald Richards in the 2100 block of Nevada Avenue.

The intruder first entered a pickup truck parked in the driveway and tried to remove an AM/FM stereo radio and cassette player, damaging the dashboard. The burglar got into the garage by prying the lock or using a garage door opener which was in the truck.

A van inside the garage was entered and a ceiling-mounted color television was taken from the vehicle.

Bolts were removed in an unsuccessful effort to take an AM/FM stereo radio and cassette player from the van, and the van's ignition system was damaged in an attempt to steal the vehicle.

Taken from the garage were a circular saw, a power drill and a metal detector. The detector was later found in a trash dumpster nearby.

Parked car burglarized

Joe Greenman of the 2500 block of Iowa Street reported Nov. 22 his car was entered and an AM/FM stereo radio with cassette player, valued at \$215, was taken from the dashboard. A container holding 15 cassette worth \$165 also was stolen.

Stolen from apartment

Clara D. Wood of the 3300 block of Kirkpatrick Homes reported Nov. 22 that a ring, watch and earrings were stolen from her apartment.

Granite City

Battery, resisting alleged

Delbert N. Winters, 40, of the 2900 block of Denver Street was booked for resisting arrest and battery following his arrest Nov. 23 at his residence.

Nancy Winters of the same address alleged he grabbed her and pushed her during an argument.

It was alleged that Delbert Winters refused to be handcuffed and, when Patrolman Thomas O. Paul held the suspect by the left wrist, pushed Paul and made a fist.

The suspect was wrestled to the floor by Paul and another officer and a struggle ensued, with the suspect swinging his fists and kicking at the patrolmen and a police sergeant who was assisting.

During the struggle, Delbert Winters hit his head on a dresser, causing a laceration to the forehead. Later, he posted \$204 bail and was released.

Vehicle damage reported

Gary L. Kincer of the 2500 block of Northridge reported Nov. 22 that vandals damaged the left rear tires on 1983 and 1982 autos, both parked in the driveway at his residence.

Also reporting tire damage were Virginia Nichols of the 2400 block of O'Hare Avenue on a 1986 auto and Leonard Sabol of the 3600 block of Franklin Avenue on a 1983 car. Velon Whittenburg of the 2500 block of East 7th Street reported a window was broken on the camp-

er shell of a pickup truck parked at his residence.

1984 Cutlass missing

A brown 1984 Oldsmobile Cutlass sedan owned by Janice K. Howland of the 2100 block of Dewey Avenue was stolen from its parking place next to her apartment, she reported Nov. 22.

Burglar enters at window

A portable television, a stereo and a cassette player valued at \$150 were taken in a burglary at the home of Michael Hoffman in the 2400 block of Dewey Avenue, he reported Nov. 22. Entry was gained through a living room window.

Deception charges filed

An officer noticed the right front door open on a car southbound on Nameoki Road at Madison Avenue and stopped the vehicle to alert the driver at 3:40 a.m. Nov. 23. Andrea Michelle Trice, 32, of the 400 block of Canal Street, Brooklyn, who was in the auto, was served two Granite City warrants that alleged deceptive practice. She posted \$204 bail.

Vehicle theft attempted

William Brannan of the 2100 block of Nevada Avenue reported Nov. 23 that an attempt was made to steal his 1988 Ford Taurus auto parked in the driveway. A thief punched the ignition and damaged the steering column.

The intruder also pried the garage door at the residence, entered a 1989 Ford van parked inside, and stole a power drill from the garage.

Village McDonald's hiring

By Valerie Evenden
Staff writer

PONTON BEACH — McDonald's Restaurant at 2 Engineer Road and Illinois 111 will open for business on Thursday, Dec. 21.

The new restaurant was granted a business license at Tuesday night's meeting of the board of trustees amid applause from those attending the session.

Trustee Marvin Ribbing said McDonald's has hired about 58 people but is still looking for additional help.

"They need between 15 and 17 more people and preference will be given to Pontoon Beach residents," he said.

Village Clerk Mary Warren displayed a flier being distributed around the village, stating: "McDonald's needs 15 more people now."

Warren said she has employment application forms available at her office in the Village Hall, 3910 Illinois 111, for anyone wishing to apply for a position at McDonald's. Interested persons may also call 931-0738 for

details.

Other business licenses were approved for George Stevenson to operate Geo's Transmission Service at 3931 Lake Drive, and Dennis Linkman to operate a pre-owned vehicles sales lot at 3640 Illinois 162.

Trustees approved the appointment of Pete McFarland of Tulip Court as assistant building inspector, a part-time post.

Sixteen building inspections were made in the past 30 days by Inspector Randy Viessman, it was reported.

Also ratified was the appointment of Bill Ross as permanent chairman of the Zoning Board of Appeals, a post he had held by temporary appointment.

Board members agreed to investigate placement of new street lights at various locations, including Illinois 111 and Bruene Drive, near the Village Hall and Illinois 111, South Street and Lake Drive, and in the vicinity of Engineer Road.

On a split vote, the board agreed to pay the remaining cost of installation of a water main

extension line on Engineer Road.

It had been voted down at the previous meeting.

Work on the line by Bland Construction of Cottage Hills was completed earlier and it was recommended for payment by Engineer Jim Stuart.

Pressure and bacterial testing has been completed and the funds are available in an escrow account to complete payment on the project, Trustee Louis Whitsell said.

The document also has been signed by Pontoon Beach Water District authorities, a point of contention at the earlier session.

"We owe these people the money and we should pay them," said Mayor Glen Wilson, who broke a 3-3 tie vote to approve payment of the \$3,742 bill.

Voting to pay the bill were Trustees Bob Abel, Marvin Ribbing and Whitsell.

Casting "no" votes were Trustees Loren Madison, Robert Douglas and Irene Karlechik.

DON'T MAKE THIS A FAMILIAR SIGHT IN YOUR COMMUNITY

Don't make this a familiar sight!

Most stores close because local people did too much shopping out of town. In fact, there are many cases where most of the retail businesses in a community have closed.

If that were to happen here, who would be left to pay this community's taxes. The empty store fronts wouldn't be able to pay their share.

Who would be contributing work and money toward local groups and projects that we all are interested in?

Keeping our home community healthy is everyone's responsibility and the results benefit us all.

No leads in Pontoon 'abduction,' robbery

PONTOON BEACH — Police have made no progress toward solving one of the most apparent crime that took place within minutes of each other Nov. 9 and may have been committed by the same person.

At about 8 that night, three men and a woman entered the Union 76 service station at East Chain of Rocks Road and Illinois

111. When the woman emerged from a rest room she threw a wadded note at the station attendant. The note said, "Call the cops; I'm being held under unlawful restraint."

The men asked directions to South Carolina, and then all four persons left in an old-model light blue van with white bumpers.

Fifteen minutes later, a man totting a shotgun and wearing shoe polish on his face robbed \$462 from Jethrow's Quick Shop at Illinois 102 near Horseshoe Lake Road. The robber ran east toward Horseshoe Lake Road and minutes later a vehicle's taillights were seen leaving the area.

Police Chief Chet Ballew said. "It's possible" the two incidents are connected, "but we have nothing to confirm it."

Ballew said no police agencies have any reports of a woman missing who fits the description of the supposedly abducted woman.

She was said to be in her 20s, weighing about 110 pounds, with brown curly hair.

Drug films planned at Edgewood

Films and drug-related talks are scheduled in the Edgewood Program at Edwardsville.

On Tuesday evening, Dec. 5, at 7:30, Edgewood will present a talk and film on "what do you do with a loved one who is hooked on alcohol or other drugs?" The speaker will be Dan Hugg, intervention counselor.

On Tuesday evening, Dec. 12, at 7:30, the Edgewood Program will present a talk and film on "the recovery process" from alcoholism or chemical dependency. This includes information about treatment and will explain how families and individuals get well in recovery. The speaker will be Edgewood Community Coordinator Dan Duncan.

On Tuesday, Dec. 19, at 7:30 p.m., a talk and film on "the family illness of alcoholism or drug addiction" will be presented. The speaker will be Family Counselor Anita Jones. She will discuss steps in the progression of the family illness, along with the effects of chemical dependency on a family's children.

On Tuesday, Dec. 26, at 7:30 p.m., the Edgewood Program will present "the definition and nature of alcohol and drug addiction." The speaker will be Edgewood Counselor Miguel Zevallios, who will explain what mood-altering chemicals are and the classification of the chemicals. Information will also be given about how to recognize the symptoms of chemical dependency.

The talks are free to the public. The Edgewood Program at Edwardsville is located on Illinois 157 by the Southern Illinois University at Edwardsville campus; 1-800-458-6777 or 618-242-1111 can be called for further information.

Two former Concordia pastors die

The Rev. A.O. Gebauer, pastor of Concordia Lutheran Church, Granite City, in the 1940s and 1950s, died Saturday in Crete, Ill. His funeral was held Wednesday in that city. An obituary is published elsewhere in this issue.

Another former pastor of Concordia, the Rev. Arvin Twietmeyer, who succeeded Pastor Gebauer here and retired in June 1982, died in September of this year at his home in Troy.

Rev. Twietmeyer had been hospitalized for a time and spent his last months in an area nursing home. His funeral was held at St. Paul Lutheran Church, Troy. Survivors include his wife, Carolyn, and four children.

Concordia Church is without a full-time pastor. Its latest pastor, the Rev. David H. Raetz, is now at Grace Lutheran Church, Atlanta. He preached his farewell sermon here Nov. 12.

Serving Concordia as vacancy pastor is the Rev. Samuel Boda, pastor of St. John Lutheran Church, Granite City. He will retire on Dec. 31 but will continue as a vacancy pastor until a new pastor is chosen and arrives.

Marionettes will perform

Belleville Area College is providing Christmas shows of family-oriented entertainment in Granite City, but there will be strings attached.

St. Louis-based Bob Kramer's Marionettes will perform "Christmas Polka" at 7:30 p.m. Thursday, Dec. 14, in the Granite City Campus Cafeteria, 4950 Maryville Road.

"Christmas Polka" is a 45-minute program featuring hand-crafted marionettes in holiday costumes performing to a variety of Christmas tunes.

Tickets are \$1 per person and may be purchased in advance at the campus. There is no reserved seating.

Refreshments also will be available.

Kramer's studio has been producing marionettes since 1963 in his St. Louis studio.

Activities aplenty for Laureate Alpha

The Oct. 25 meeting of the Laureate Alpha Gamma Chapter of Beta Sigma Phi sorority was held in the home of Arlene Haldeman.

Juanita Calve, president, presided over the meeting. She read a correspondence from the Favorite Recipes Press and passed out a sample cookbook for the group to examine.

The Ways and Means Chairman Dolores Byrnes reported that she had received the sample box from Lincoln House, a mail order company. These items will be held at a later date.

Haldeman reported on the sorority's Illinois State Convention that she and Imogene Forrest attended the weekend of Oct. 27-29. The convention was sponsored by the Laureate Chapter of Alton and was held at the Marriott in St. Louis.

The program for the evening was presented by Alice Konieczny. She gave a very interesting report of the life of Mother Teresa.

The hostess served dessert to those mentioned and Vickie Barth, Ben Brackett, Delores Dortch, Lora Mae Lombardi and Pat Tsigolof.

REAR-ENDED ON ILLINOIS 3: A Granite City policeman (left background) gathers information on a two-vehicle accident on Illinois 3 at West Chain of Rocks Road Tuesday afternoon. The car in the foreground, driven by Jo A. Bloenker, 41, of Benld was stopped at the traffic signal light in a southbound lane of the highway at West Chain of Rocks Road when it was struck by a truck (in background) driven by Gregory L. Klunk of Jerseyville. Bloenker was taken by city ambulance to St. Elizabeth Medical Center, where she was treated and released. Klunk was cited for failure to reduce speed to avoid an accident.

(Continued from Page 1A)
our district by \$542,977.10, according to Eno Leitz of the state board of education department. Most of this money, as are the goods and services they pay for, are permanently lost by the district.

"If you consider that payrolls of a half-million dollars do not get buried in backyards, but are circulated to businesses and the community at large, then Granite City and its surrounding area have suffered a great financial loss by the board's unlawful action."

"Our school district is proud of its financial stewardship, but it has allowed a half-million dollars, which was rightfully theirs, to be left in Springfield. Why did it do this? Some say their action only makes sense if it was meant to punish teachers by leaving dock days against them. If this is true, then the board's vindictiveness has been very costly."

Opinions from the Illinois State Board of Education say

that the district did not actually break the law in choosing not to extend the school year, but simply chose to accept a reduced portion of its financial allotment from the state rather than meet the state guideline. More specific information from the state board of education was unavailable as of press time.

The state board of education said it had not rendered an official opinion on whether or not the district should extend the calendar. Walmsley said that he recently learned that the district will receive credit for one additional day that could have been used as a teachers' institute day under state guidelines, bringing the total from 170 to 171 days.

School board member Monroe Worthen, who was part of the negotiations during the strike, said that each board member had his or her own reasons for voting not to extend the school year.

He said one important component was the teachers have historically been able to strike,

knowing that pay missed while they were on strike would be made up later by an extension of the school year. Few other unions, he said, have that assurance because there is no way to extend other professions' work periods to make up for time lost. Former board member Jeff Parker said other considerations included a feeling by some board members that they didn't want to punish students by causing them to miss family vacations, opportunities for summer employment, and the enjoyment of their full summer vacation.

Both men said they didn't think the nine-day loss significantly affected students' learning. Officials at the Illinois State Board of Education said it is not unheard of for a district to decide not to make up days lost in a strike, although many districts choose to make up at least some of the days to avoid any loss of state funding for the year.

"There were a lot of factors that played into our decision at the time and I'm still comfortable with the decision we made," said Parker.

Correction

Reports of cuts in area Army civilian personnel have so far been limited to the U.S. Army Troop Support Command, not the U.S. Army Aviation Systems Command as reported in the Press-Record on Thursday.

AVSCOM, co-located with TROSCOM in St. Louis, is responsible for the operation of the Melvin Fire Support Center in Granite City.

•Library

(Continued from Page 1A)

The Pontoon Beach Board of Trustees voted to set up its own library district, which action, by state law, excludes Pontoon Beach from joining the Granite City district. Granite City Librarian Robert Stack has said. He heads the effort to plan for a wider service area.

On Nov. 7, Pontoon Beach voters rejected establishing a tax to support their own library district.

To join an expanded Granite City district, the Board of Trustees would have to dissolve the Pontoon Beach library district and Pontoon Beach voters would have to approve joining the regional district in a referendum.

Coleman told the council the Library Board wants a decision by aldermen by Dec. 5. The council's next regular meeting will be held on Tuesday, Dec. 5. If the council does not approve the board's request to withdraw from the city government and to seek to become a regional district, Coleman said, the board would submit the withdrawal issue to Granite City voters in

March.

The board already is on the March ballot with two other proposals. One asks Granite City voters to include neighboring unincorporated areas in a regional district, and to authorize a regional district in Granite City. The second asks voters in these unincorporated areas to agree to inclusion in the district.

If the council were to approve the board's request, the mayor would no longer appoint the board's members, nor would the council confirm them. A board would be elected by voters in the regional district if the public approves forming a regional district.

The new library district would have to carry its own liability insurance and retain its own legal counsel.

Coleman told the council that at present, under state law, people in other library districts can use the Granite City Public Library without contributing to its support.

He warned that, if the city library does not become a regional district, "within five years, either the Granite City

Library will have to increase its tax levy or reduce services because of the influx of people from outside the city using our facilities."

Coleman said the library had received a state grant to pursue regionalization, but the board felt the money would go farther if it had to spend money to make its case to voters on only two proposals rather than three.

The council referred the issue to the Intergovernmental Committee. The proposal is expected to be brought before the full council Tuesday.

Mayor Von Dee Cruse said he didn't think any of the aldermen were "strictly opposed to it." But Cruse said he thought the council would probably refuse the Library Board's request.

"I believe the council (members are) reluctant to take it upon themselves to create another (elected) board... similar to the park and school boards," Cruse said.

"I sense they would rather put it to all the people in a referendum than make a decision themselves," he said.

SEMC alumnae sets meeting site

The meeting of St. Elizabeth Medical Center's Alumnae Association will be held at the President Delores Stalacker at the Madison Recreation Center.

Members voted to change their meeting place to St. Elizabeth Medical Center. A letter will be sent to the Madison City Council, thanking it for the use of its recreation center.

The Christmas party for the group will be held at 6 p.m. Dec. 5 at the Melvin Fire Support Center.

The membership book was brought up-to-date for the years 1989-90.

Members attending were: Dorothy Lewis, Rose Juhász, Ruth Novacich, Billie Bosworth (guest), Josephine Czervinski, Dorothy Bruce, Isabel Cariss, Shirley Wendel, Maxine Carson, Dorothy Geroff, Marieta Jones, Eunice Oros, Stalacker, Helen Gages, Gladys Burgess and Genevieve Phillips.

The meeting adjourned after refreshments were served. The next meeting is scheduled for March 20.

the officer said apparently no criminal act had taken place. There was nothing more the police department could do concerning the matter, but he would file a report, the officer said.

Illinois Statutes, Chapter 110, makes provisions for a landlord to demand rent and to notify the tenant, in writing, that unless payment is made within the time mentioned in the notice, not less than five days after it is served, the lease will be terminated. The landlord may then sue for possession.

It is not known if such a written notice had been served on Margaret Cruzen, but a neighbor said that Cruzen had said she was given a verbal notice last week to move from the apartment.

Clarification

Christmas gifts costing 25 cents and up will be available for children to purchase on a special shopping day at First Granite City Foursquare Church, 2400 E. 25th St.

Lucille (Thomlinson) Gerley, 87, of Granite City died at 7 a.m. Thursday, Nov. 30, 1989, at St. Elizabeth's Hospital in Belleville. She had been ill for seven years and lay in the hospital for three weeks.

Born Dec. 16, 1921, in Potosi, Mo., she had lived in Granite City for 30 years. She was a homemaker and was of the Baptist faith.

Survivors include her husband, Leslie Gerley, whom she married May 1, 1944, in St. Louis; one daughter, Brenda Lee Gerley of Granite City; one brother, Oliver Thomlinson of Deer, Ark.; and one sister, Helen Studdart of Ironton, Mo.

Visitation will begin at 4 p.m. today (Sunday) at Thomas Memorial Mortuary, 2205 Pontoon Road, where funeral services will be conducted at 1 p.m. Monday by the Rev. Bob Jones. Burial will be at Sunset Hill Memorial Estates near Edwardsville.

Lore

Adolph Lore, 89, a resident of Granite City for 73 years, died at 11:37 p.m. Friday, Dec. 12, 1989, at St. Elizabeth Medical Center, where he was a patient for one day. He had resided at Colonial Haven Nursing Home for the past 5½ months.

Born March 17, 1900, in Bonne Terre, Mo., Mr. Lore came to Granite City in 1916. He began working at American Steel Foundries in 1917 and retired from the plant in 1955.

Mr. Lore was of the Protestant faith. His wife, Bertha, died on Dec. 7, 1978.

Among the survivors are a son, William Lore of Granite City; a daughter, Eunice Harper of Granite City; two sisters; eight grandchildren; 18 great-grandchildren and one great-great-grandchild.

Funeral arrangements are pending at Irwin Chapel, 2801 Madison Ave. Friends may call 931-8000 for details.

GRANITE CITY HOME JOURNAL

Thomas sparks Warrior triumph

By Dave Whaley
Executive sports editor

GRANITE CITY — The Warriors are counting on plenty from 6-7 sophomore twins Jeff and Brian Smith. But there is help on the bench should one of them falter.

That was the case Friday in the home opener when Brian Smith picked up three fouls in the first quarter and the Warriors trailed Triad 18-16. Senior Bob Thomas came on and scored 14 points off the bench as Granite City shifted to a smaller lineup. It paid off in a big way as the Warriors, rallied to a 70-43 win over the Knights.

"Brian Smith doesn't want me to repeat what I said after the first quarter," said Warrior coach Bill Ohlendorf after his team improved to 3-2. "But we're talking about a couple of 15-year-olds. There will be some games when they get in foul trouble."

"But we have a little more depth this year. I'm proud of Bobby Thomas. That's what we expected out of him when the season started. He started the first game up in Jacksonville, and he really came on and gave us a lift tonight."

Thomas, senior guard John Van Buskirk, Skip Birdsong and Jeff Smith all had 14 points, while Brian Smith added eight and Joe Wallace scored the other six on a pair of three-pointers.

Bob Jackowski led Triad (0-1) with 18 points, but the Knights were taken out of the game when the Warriors scored the first 17 points of the second quarter to take a 33-18 lead. Mark Nunley's layup with 2:54 left in the half broke a five-minute scoring drought for the

Knights, but the damage had been done.

"They went with a smaller lineup when one of the big kids got in foul trouble," said Triad coach Rich Mason. "They began to put a little more pressure on us defensively and we started to shoot poorly. Granite City has a chance to have a pretty good team."

Van Buskirk kept the Warriors in the game in the first quarter with 10 points, then Thomas came on and couldn't miss with his medium-range jump shot. He made seven of eight shots on the night.

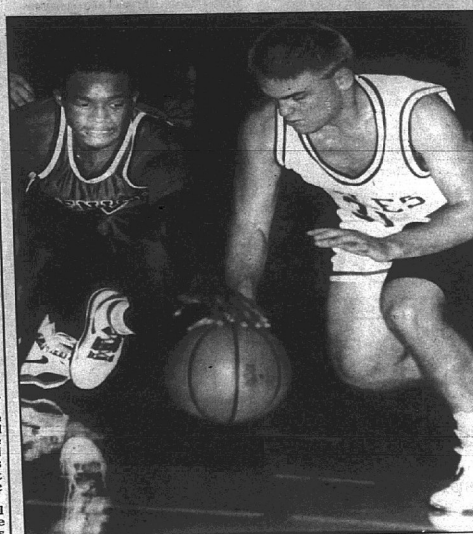

Birdsong played another strong all-around game, adding nine rebounds to his 14 points, including three offensive rebounds.

"That has to hurt the other team when one of the smaller guys gets an offensive rebound and is able to bring the ball back out and set it up again like Skip did," said Ohlendorf. "And I thought Joe Wallace (five assists and five steals) played an excellent game. He shows great discretion with his shot and he has plenty of athletic ability."

While Brian Smith got in foul trouble, Jeff Smith was a force inside with nine rebounds of his own and four blocked shots with his 14 points. It was 38-22 at halftime and the Warriors cruised from there.

"I'm not totally discouraged," said Mason. "We played well in the first quarter and then came back and did pretty well for a while in the third quarter. The fact that it was our first game is no excuse for getting beat as much as we did. But Granite City has some depth and good talent."

Devils survive missed FTs for 72-70 win

RENO MOSBY steals the ball away from Columbia's Scott Germain. Mosby had three steals.

By Dave Whaley
Executive sports editor

COLUMBIA — The Red Devils are trying to avoid getting a reputation.

And although everything turned out OK in the end Thursday, they did little to help that reputation.

Venice opened the season with a 72-70 win over Columbia behind 22 points and 11 rebounds from junior Erwin Claggett. But the Devils made only four of 12 free throws in the fourth quarter and seven of 17 for the game to keep it very interesting.

"We can't get a reputation where teams know they just have to foul Venice in the last few minutes of a close game and we'll lose at the free-throw line," said Venice coach Clinton Harris. "We would have won this game by 15 points if we could have made our free throws."

Despite their problems at the foul line, the Devils showed plenty of good signs. All five starters scored in double figures and their pressure defense forced several turnovers which led to just enough easy baskets. But the missed free throws and Columbia's hot three-point shooting in the fourth quarter kept it interesting.

"I won't take anything away from Columbia," Harris said. "They made some three-pointers when they needed it. We need to apply defense the whole game. Our defense was good earlier in the game. Defense really won the game for us." Sophomore Ivan Johnson scored 10 points in the first half and Claggett had eight as the

COLUMBIA	18	15	12	17	62

Devils overcame a 21-17 deficit after one quarter to take a 38-30 halftime lead. Claggett scored 13 points in the third quarter as they opened up a 60-48 lead.

"Ivan had a good first half, scoring but got in foul trouble and sat out the whole third quarter," said Harris. "We needed Erwin on the boards and he did the job."

Then 5-7 junior Scott Germain got hot for the Eagles. He hit three three-pointers in the fourth quarter. His third one made it 65-59 with 4:30 left. But after Johnson missed a shot at the other end, junior Reno Mosby (13 points) made back-to-back steals and pumped the lead back to 10 with a pair of layups.

Senior John White's layup was enough, although Jeff Prossie, who led Columbia with 19 points, nailed a three-point shot at the buzzer to trim the final margin to 72-70.

"We took some bad shots in the fourth quarter," said Harris. "But we should learn a lot from tonight. They were bigger than us (Columbia) with 19 points, 6-5, 6-4 and 6-3 along the front line, and we'll have to get used to that. We proved to everybody our cat score and we'll have a balanced team. We'll need some more help off the bench. But at least we got the 'W'."

Tigers come back late; beat Warrior grapplers

GRANITE CITY — The Edwardsville Tigers dominated the upper weight classes and edged the Warrior wrestlers 31-30 on Friday.

Granite City (1-2) jumped out to a 27-6 lead through the 140-pound bout, but only Larry Hahne was able to win for the home team after that. His 9-7 decision over Daveson Reising gave the Warriors a 30-27 lead, but Neil Strader of the Tigers beat Alan Willard in the heavyweight match 14-4 to pick up four points and give the Tigers the one-point victory.

Ryan King of the Warriors pinned Jelani Jackson in 4:28 at 105 pounds, then Jermaine Boy pinned Brian Kershaw in 3:54 at 112 for a 6-6 tie. Then Granite City seemed to take control of the match.

Mark McKeehan took an 11-8 decision from Larry Freitag at 119; Todd Hutchinson pinned John Smolar at 1:14 in the 125 bout; Chris Hankins scored a technical fall at 6:00 over Nate Williams at 130; Jerry Heusch-

But Sean Feco turned things around for Edwardsville with a 7-4 decision over Doug Norton at 145. The Tigers then got consecutive pins from Rich Dunnivant (in 1:32 over Scott Simon at 152), Stacey Radcliff (in 3:51 over Charles Stout at 160) and Derek Baugh (in 5:44 over Brad Massey at 170) to tie the match.

Collins doesn't have it easy with Trojans

By Dave Whaley
Executive sports editor

MADISON — Al Collins doesn't have an easy job.

As the head basketball coach at Madison High School, he's trying to revive a program that was once among the state's best. Like John Wooden at UCLA, Larry Graham has been a tough act to follow. Graham led the Trojans to nine straight regional titles and a pair of state championships before his departure in 1984.

But Rodney Watson and Rich Esington lasted only two years each in succeeding Graham. Both experienced one good season and one so-so campaign. Collins' first year wasn't even so-so (4-19), so things figure to get better in this his second year. But it won't be easy.

The Madison School District has cut back on most of the sports programs in the last year, and even boys basketball — Madison's long-time trademark sport — felt the pinch this year when it looked like the freshman-sophomore program would go by the boards. But the Madison Booster Club has raised close to \$2400, according to Collins, to keep the program alive for another year.

"Without a freshman-sophomore program, it's almost impossible to compete," Collins said. "We still have basketball at the junior-high level, which is great. But if we don't have the

freshman-sophomore program in place, then there's a big gap there."

"In that situation, once kids get to the high school and before they were ready to play varsity, they couldn't play. They would lose interest and turn to other things, or transfer to Venice."

Collins applauds the work of the booster club and other local organizations which donated money to the cause.

"We'll continue to have fund raisers at our games so we can keep the program going," Collins said. "There has been so much cut here in the last year. We've lost baseball, softball, tennis and soccer. I thought that the sports that we kept would at least stay the same. But money is a problem in a lot of districts."

Collins said, "There has been so much cut here in the last year. We've lost baseball, softball, tennis and soccer. I thought that the sports that we kept would at least stay the same. But money is a problem in a lot of districts."

Something else plaguing the Trojan athletic programs recently has been keeping athletes academically eligible. The problem last year, so there should be no surprises for the players on this

year's team," said Collins. "They've seen what happens to those who don't keep their grades up, and seeing is believing. The football team had some problems with it this year, and so have the track teams and the girls basketball team. We have to keep the kids eligible and

interested. But we still have some that can't adjust."

NOTES: The Trojans got the season off on the right foot Friday with a 73-60 home victory over Northwest High School of St. Louis.

Andre Mays had 16 points and Brennan Wimberly added 12 to pace the victory.

"We played decent defense," said Collins. "We kind of got off to a slow start in the first half. It might have been some first-game jitters. Mays in particular was really cold shooting early in the game."

"Then we came out and started the second half the same way. But we got better as the game went on."

The Trojans scored 40 points in the second half as they pulled away from Northwest. "They liked to set it up on offense most of the time," Collins said. "Northwest didn't run the ball too much. We had to be patient. There is still a lot of work to do before we play at Alton next week. I know they will run up and down the court with us."

Youth hoops instruction Saturdays at Coolidge

Basketball fundamentals are being taught at Coolidge Junior High School every Saturday from 9:10-10:30 a.m. for boys and girls in third and fourth grade. Fifth and sixth graders have instruction from 10:30 to noon.

The instructors are high school sophomore coach Don Harris and former Warrior star Jamie Hogan. Daren DePew, eighth grade coach at Grigley Junior

High, will also help with the program.

Instruction will be Dec. 2, 9 and 16. Each player will be placed on a team and begin playing 40-minute games each Saturday morning in January at Coolidge and the Lincoln Community Center. Each player will get a T-shirt to be worn during games. The shirts are provided by Central Bank, 1st Gran-

ite City Savings and Loan, and the Granite City Park District.

Registration is being done at the Wilson Park Office only. The office is open from 9 a.m. to 5 p.m. on Monday and Friday, and from 8 a.m. to 6 p.m. on Tuesday through Thursday. The cost is \$7.50 for park district residents and \$10 for non-residents.

NOTICE OF PUBLIC HEARING TO BE HELD IN AND FOR COMMUNITY UNIT SCHOOL DISTRICT NO. 9, MADISON COUNTY, ILLINOIS, ON DECEMBER 12, 1989 AT 6:30 P.M. IN THE BOARD MEETING ROOM, ADMINISTRATIVE OFFICES, 20TH AND ADAMS STREETS, GRANITE CITY, ILLINOIS ON THE QUESTION OF ADOPTION OF THE PROPOSED 1989 TAX LEVY

NOTICE IS HEREBY GIVEN that the Board of Education of Community Unit School District No. 9 commonly called Granite City School District, shall hold and conduct a public hearing at 6:30 P.M. (Central Standard Time) Tuesday, December 12, 1989, in the Board Meeting Room, Administrative Offices, 20th and Adams Streets, Granite City, Illinois, on the question of adoption of a 1989 levy which, as proposed, will exceed the 1988 tax levy extension, as of May 22, 1989, by more than 5%, exclusive of the Working Cash Fund Bonds and Interest which are not a part of this tax levy.

As extended by the Madison County Clerk, the 1988 tax levy of Community Unit School District No. 9 will produce the following revenue \$9,800,663.31, exclusive of the Working Cash Fund Bonds and Interest, as of May 22, 1989.

On the 6th day of December, 1988, the Board of Education of Community Unit School District No. 9 did pass a tax levy for the year 1988 in the amount of \$10,306,582.94 at a rate of 3.5852, exclusive of the Working Cash Fund Bonds and Interest.

The proposed 1989 tax levy of Community Unit School District No. 9 would produce the following estimated rates and amounts based on the estimated 1989 assessed valuation not to exceed \$10,672,339.52 at an estimated rate not to exceed 3.6201, exclusive of the Working Cash Fund Bonds and Interest.

The percentage increase in the 1989 aggregate tax levy over the extension of the 1988 tax levy, as of May 22, 1989 is 8.894% exclusive of the Working Cash Fund Bonds and Interest.

A copy of the 1989 proposed tax levy is on file in the Office of the Superintendent, Community Unit School District No. 9, 20th and Adams Streets, Granite City, Illinois, where it may be examined, during the normal business hours, 7:30 A.M. to 4:00 P.M. Monday through Friday, and on DECEMBER 12, 1989.

DATED AT GRANITE CITY, ILLINOIS THIS 28th DAY OF NOVEMBER A.D. 1989.

Madison Middle School has chosen cheerleaders for the 1990-91 season.

The students were chosen by points acquired for agility, cheerleading skills, academics, leadership and school spirit.

Eight-grade cheerleaders are: Stephanie Broyles, Nikita Gregory, Cindy Kosticki, Tanya Stanley, Sjaantja Wagener, Tekoah Wellmaker and alternate, Portia Johnson.

Seventh-grade cheerleaders are: Celena Browley, Beth Hamm, Jillian Jones, Jackie Newby, Shawnte Owens, Kenia Winston and alternate, Marcelon Banks.

The Glik Retirees met on Nov. 15 at Jerry's Cafeteria for lunch. Afterward, they returned to the home of Juanita Rosenberg for an afternoon of cards.

Attending were: Ida Dent, Jane Duncan, Mary Moore, Neil Bailey, Van Stuart, Lessee Dorch, Edith Wofford, Helen Knezevich, Freda Hicks, Alberta Mikolaszuk and guest, Amelia Kaho.

The Madison-Venice Rotary Club held its monthly club assembly meeting on Nov. 15.

Plans were finalized for the club's participation in the recent Old Newsboy's Day. In 1988, the club raised about \$150 for the Old Newsboy's program.

The nominating committee of Rotarians Bill Badger, Ira Banks and Wade James nominated this year's officers to serve again next year.

The officers are: president, Tim McCarthy; vice president, Bob Vickers; treasurer, Henry Baucum; secretary, Victoria Vassileff; and sergeant-at-arms, Christ Pashoff.

It was proposed that a new position of club historian be created. Rotarian Jack Friedman was nominated to fill the position.

Plans were tentatively made for the club's annual Christmas party.

The fourth-graders from Venice Grade School will entertain their parents and Rotarians in the school gymnasium at 12:45 p.m. on Dec. 13.

AARP chapter to dine, dance

The Granite City and Vicinity Chapter 1340 American Association of Retired Persons Inc. will hold its annual Christmas Dinner-Dance on Dec. 13 at the Granite City Township Hall.

A catered dinner by the Canal Restaurant will be served at 6 p.m., with installation of officers and board members for 1990 to follow.

The Alley Kats will provide music for dancing from 7 to 10 p.m.

This event is for members only who have paid for their 1989 chapter membership card.

Tickets are \$6 each and may be purchased from Geneva Brooks at the Township Hall or by calling June Fritz at 797-0331 or Beverly Kane at 877-7912.
